Funding Futures Together

The generosity within the community is overwhelming. You can help us create a great event by golfing, sponsoring a team or hole on the course and/or providing a prize raffle item.

Proudly Supporting Today's Vikings

The University of Alberta, Augustana Campus is proud of the accomplishments of our Vikings Student-Athletes as they strive to excel in the classroom and in competition. Student-athletes are developing the skills through experiential learning on and off the court through their experience at Augustana while attaining a well-rounded education. These skills allow them to become positive role models and ambassadors for the community. The pursuit of excellence comes at a cost. The cost of education continues to grow while training and competition demands restrict the student-athlete's ability to work. By supporting this Golf Tournament you will be contributing to the success of Vikings.
